## Daylight Savings Time Scheduling Issue

Applies to the Following Products	Prepared For
<ul style="list-style-type: none"><li>• Christie IMB-S2</li><li>• Solaria One</li><li>• Solaria One+</li></ul>	External Customers Christie Personnel

If your theater is located in a region that observes Daylight Savings Time (DST), scheduled playback could start one hour earlier with the change to DST on March 10, 2013 if the **Adjust For Daylight Savings Time** option is not selected.

This issue affects all versions of the Christie IMB-S2 Main Software.

## Resolution

You must have Administrator permissions to complete this procedure.

1. On the projector touch panel controller (TPC), tap **Menu > Administrator Setup > Time Setup**.
2. Select the **Adjust for Daylight Savings Time** checkbox.
