

EXPERIENCE THE ULTIMATE VIDEO WALL SOLUTION WITH CHRISTIE HEDRA PACKAGES

Do you need a seamless, hassle-free way to create stunning digital signage or video walls? Look no further! We designed four LED video wall packages, complete with our

[Christie Hedra™ Standard state-of-the-art video wall processor](#), to provide the complete solution you need.

Why choose Christie Hedra video wall packages?

- › **Save money:** We competitively price our packages, so you save money compared to the cost of purchasing components separately and enjoy reduced shipping costs.
- › **Perfect compatibility:** You're not buying individual products, you're investing in a perfectly integrated solution.
- › **Streamlined procurement:** Save time and get everything you need from a single vendor. Hedra packages offer a one-stop shop for your video wall needs.
- › **Tailored to your needs:** You value flexibility. Customize any package to meet your specific requirements. Whether you need different screen sizes, resolutions, or processing capabilities, we've got you covered.
- › **Optimized performance:** We fine-tune our Hedra video wall processors to deliver exceptional performance. Your audience deserves stunning visuals, and you need an easy content management experience.
- › **Comprehensive support:** Our comprehensive warranty and service packages cover your entire package. Plus, our dedicated support team supports you every step of the way.

Every package includes a Hedra Standard video wall processor. Features you'll appreciate:
